CONNECTIFY

PROJECT
OurLive

OurLive is a software that has all the needed features in a single package. It's the ultimate choice for internal communication managers to guarantee an all-in-one platform that allows them to create and manage content and reach and motivate all members of the company, contributing to a better business culture and worker integration.
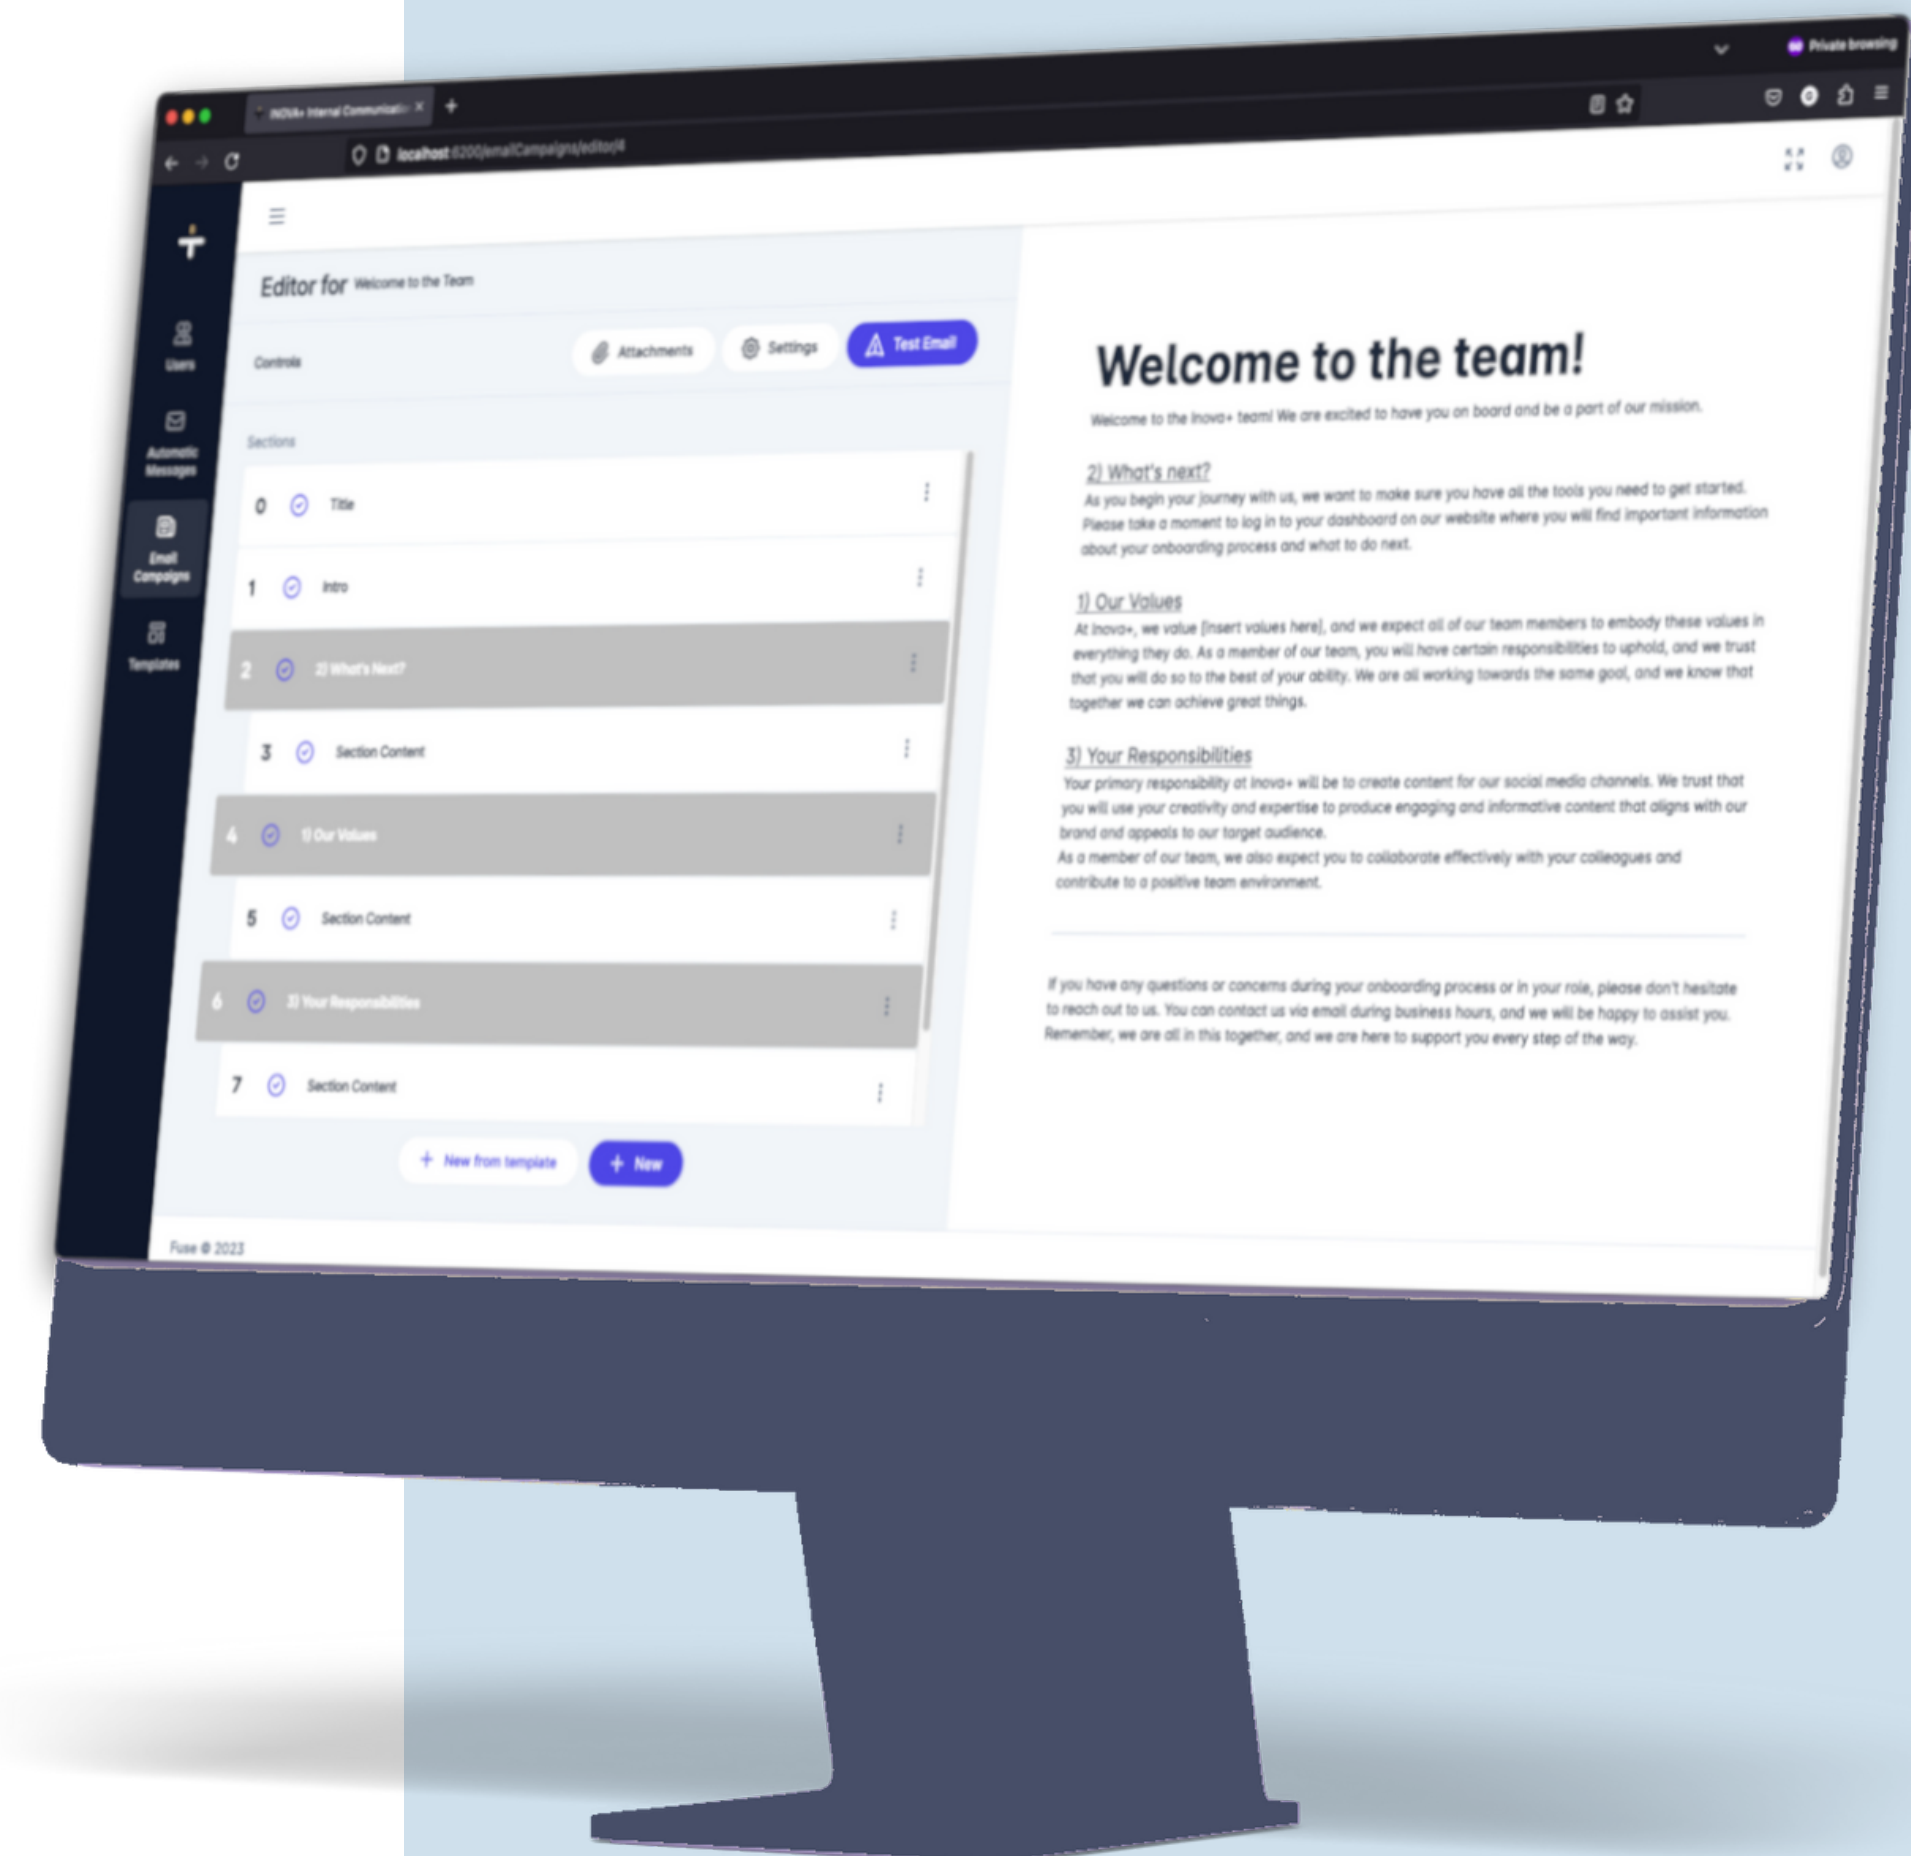

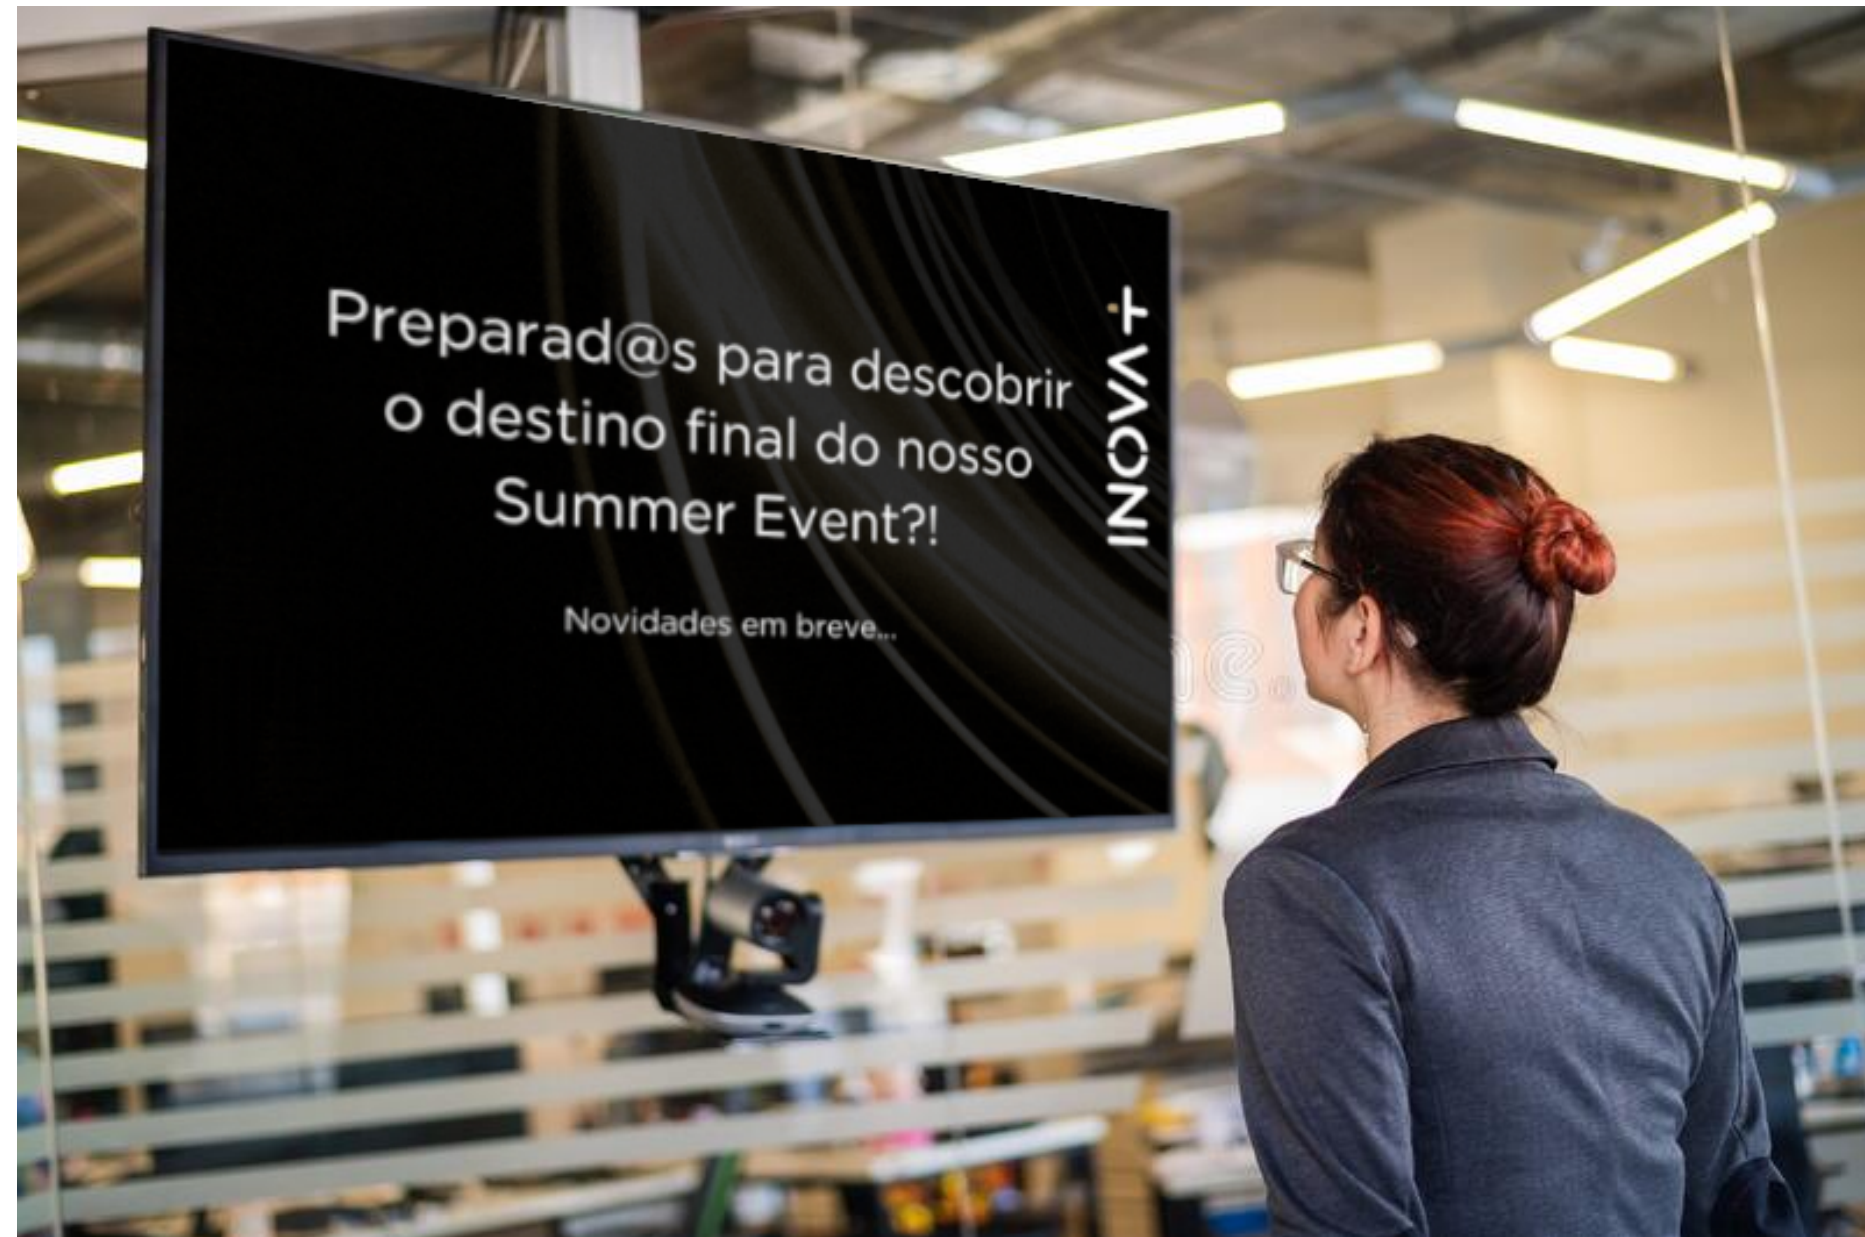

CLIENT
INOVA+

COMPANY

At Connectify we envision a future where organizations thrive through engaging internal communication leading to enhanced employee happiness, by providing solutions that allow quick and accessible display of information.
